Nigeria

Free Methodist World Missions is committed to serve Free Methodists as together we make disciples among the peoples of the world. The Free Methodist Church has ministry in 82 world areas.

Nigeria

Please pray for the Hope Academy of Ikot Ekpe in the south central region of Nigeria, an International Child Care Ministries sponsored school serving hundreds of children and their families. We've just received word that a former and now expelled leader of the Free Methodist Church has seized the school property and claims to be the rightful leader of the church and school. He has dismissed all key school personnel, taken school and mission vehicles, and has caused the school to shut down. Our missionary Phyllis Sortor is currently in the northern part of the country and unable to return to Ikot Ekpe until early next week. While no one is in danger, the school will not be able to operate until the situation is resolved. This unlawful seizure of the school has created confusion in the church. Please pray for a resolution to this situation: that this man's efforts fail, the truth comes out, and the church is not harmed.
