

## Guy and Betsy Crawford

### NOVEMBER 2009

**PRAISE!** Thank you for your prayers for all of the things mentioned last month. *Tabitha's house* has just about gotten things ready to go--please keep praying! The *Women's Retreat* was great. Many women sacrificed to be able to go, and they received wonderful teaching from the word from Pastor Joanne. Guy appreciated your prayers in his *medical work*, an ongoing ministry. *Keila* is still in Mexico City awaiting completion of the visa process for Colombia. Please keep praying.

#### **WOMEN'S RETREAT IN SINALOA**

This is Nov. 6-8. 12 women will travel south to join our sisters in the state of Sinaloa. Pray for Betsy and all of the team as we minister in sharing God's word, and in encouraging these women. Many are facing poverty and the problems related to the violence of the drug trade. Many are left to raise their families alone.

#### **PANCHITA AND ZOILA**

These are two women I have met with weekly for a couple of years. Pray for them as they pray for and invite more women to join our cell group. They are longing to share their faith with others! Pray for God's leading to people who need Him.

Thank you for your prayers! "Be anxious for nothing, but in everything by prayer and supplication *with thanksgiving*, let your requests be made known to God. And the peace of God which surpasses all understanding, will guard your hearts and minds in Christ Jesus." Philippians 4:6, 7
