

*Merry Christmas and Happy New Year from the Crouse family!*

Thank you so much for your prayers, support, and financial giving. It is an exciting time to be living and ministering in Peru. We are especially thankful that because of your faithfulness both our personal support and the Peru country shares were able to finish 2008 in the black despite the present economic crisis. God is good!

We wish you and your family every blessing during the new year.

Your friends in Peru,

J.R., Becky, Marissa and Alena Crouse
