

Dear Praying Friends,

Since I left out some vital information in our November newsletter you may consider this “Part Two”.

Christmas Luncheon

Yesterday Hope had the privilege of speaking to 50 ladies at the International Church. She'd been battling a sore throat all week and felt that the Lord not only gave her the right words to say, but also gave her voice back for that time. It was a mixed group of Brazilians and foreigners and Christians and non-Christians. The Lord's name was lifted up and there was a good response.

New Ministry Opportunity

Quite unexpectedly Dan received an invitation to pastor the Vila Morais (Brazilian Conference) Church in 2009. He is stepping in temporarily for a pastor who is dealing with personal issues. We are excited about this opportunity, but will miss our friends at the Santa Cruz Church Plant. The Lord is our comfort and constant help!

Our Heartfelt Thanks to You

We would be remiss if we forgot to thank you for your prayers and financial support in 2008. Because of your faithfulness we are able to serve the Lord here and we are more grateful to you than we can say for this privilege.

Christmas Greetings

We are sending you warm Christmas hugs from Brazil. We promise not to envy your snow if you won't envy our sunshine. ☺ Please be in prayer for the Santa Cruz church (and all the FM churches) who are holding special services this month to reach the lost.

Thanksgiving Gathering

Below you will find a picture of our dear friends from the Santa Cruz church plant who kindly turned their November fellowship meal into a Thanksgiving meal so that we wouldn't have to celebrate it alone. (Hope is kneeling in center. Dan and Nathan and David are in left top corner.)

Rejoicing in Him at Christmas and Always,

Dan and Hope
