Josh & Susy Fajardo
Europe/Spain

free METHODIST WORLD MISSIONS

The Fajardos' vision is to discover Spanish leaders, people whom God is calling to begin new ministries, small groups and churches throughout Spain. Currently, they are planting a church in a suburb of Madrid, Rivas-Vaciamadrid. They hold weekly small-group meetings. The Fajardos are also involved in the development of a nongovernmental organization (NGO) that focuses on compassion ministries in Rivas-Vaciamadrid and inner-city Madrid. They desire to be "messengers of love" in all they do.

Birthdays: Josh - 6/12 Susy - 7/5

- the Holy Spirit's protection and guidance as the Fajardos minister in Spain
- wisdom as they lead and develop the ministry in Rivas and follow God's direction in other areas of Spain
- Josh's leadership with Spanish nationals and wisdom in directing the FM ministry throughout Spain
- wisdom as Susy teaches adult Sunday school and leads the women's ministry in Rivas
- the compassion ministries in Rivas and inner-city Madrid
- the Lord's guidance as Gabriela and Isabella attend Spanish school; for the girls to continue to keep God first and influence others for Jesus
