Update on Team A

Bishop David Roller received the following report from Response Team A at 9:30 a.m. (EST).

The team was one hour away from the Haitian border. They experienced minor vehicle troubles which have been resolved. The team is traveling in a three vehicle convoy - one truck with the team and the other two trucks with Dominican Free Methodists. The trucks are loaded with relief supplies such as water, fuel and emergency provisions. As soon as the team arrives in Port-au-Prince, they will meet with Haitian church leaders to continue relief efforts. The team is doing well and asks for your continued prayers.
