WORLD MISSIONS

Over the last year, Michael and Carrie have ministered in Spain and Portugal. The Hamleys' vision is to see souls across Spain come to a saving faith in Christ, develop a personal relationship with Him, and be discipled to the point of being able to share Christ with others in their communities. Long term, they hope to see the FMC grow in number, in spiritual vitality, and in credibility with each local community. The Hamleys have had numerous short-term experiences worldwide, including teaching in Honduras for one year.

**Birthdays:** Michael - 10/22  
Carrie - 1/15

### Pray for:

- provision for permanent residency visas in the near future
- the ability to adapt to Spanish and Portuguese language and culture quickly and to forge meaningful relationships with the people
- continued growth into their ministry roles with the Europe team
- God to prepare people's hearts to receive the gospel
- the Hamleys to have boldness to share the gospel unashamedly
- the Mediterranean team as they come together to minister to the lost of southern Europe
