

News from Marcie Huson in Garstang, England - June 2009

This is just a quick update – it's been a busy month, but I didn't figure writing about John Wesley's theological method and other thesis related topics would be too interesting!! ☺

College Days

Thanks for your prayers for the two weeks I spent at Nazarene Theological College this month. I was able to hand in a complete draft of my thesis on the last Friday of my time there. Now I wait while my supervisor reads it through and makes comments on what he'd like changed, before

submitting and defending a final draft! *The man in the pic is John Wesley himself!*

Picnic

Last Saturday we had a wonderful family picnic outreach at our church here in Garstang, England. You'll see we had great races (think field day at elementary school) as well as great food and conversations. And it didn't rain! It all added up to a wonderful day. Please continue to pray as we reach out to a number of new families in the area.

Coming Soon:

May 28: Preach at Garstang (UK) FMC

July 5: Preach at Garstang (UK) FMC

July 12: Preach at Great Eccleston (UK) FMC

July 13: Driving test. Many people don't pass the 1st time – I'm hoping to beat the odds!

July 19: Preach at Garstang (UK) FMC

Aug. 3-7: Wellspring Bible Week (big family camp/conference in Cornwall). Josh and Susy Fajardo (Spain) are coming and I'll be teaching a seminar on the Trinity.

Prayer Requests and Praises:

* A healthy Luke Augustine was born to Missionaries Lynette and Josef Sykora (Slovakia).

* Brenda Hendrick (Ukraine) continues to heal from her broken ankle.

* Jackie and Lawrence are two of the leaders in the Oostende, Belgium church. Please pray as new missionary Dick Dickinson works closely in training and mentoring them.

Thanks for your prayers, support and encouragement! Bye for now!! *Marcie*
