## Back In The USA...

In mid January we came back to the USA. We are temporarily living in Northeast Pennsylvania. From here we are able to travel to most of the churches in the New England and New York Conferences. What a blessing it is to visit friends in these churches that have partnered with us for the past three years. We are excited to tell some of what God is doing in Mexico City through YOUR ministry there. We are thankful for several new prayer and financial partners that have joined the team with us.

## Thank You For Praying!

Thank you for praying for us during this time of transition. We have gone through many changes— and we Praise the Lord for His faithfulness. We had hoped for our children to attend the nearby public school— Nathan is attending there and doing really well in second grade. Nasya was just a little too young to be accepted into their kindergarten class— so she continues to do her kindergarten as a homeschooler. We have switched our schedules from mostly afternoon and evening work in Mexico City to a more normal daytime schedule here in the US. It has been interesting.
