## 'Home' Again in Mexico

We had a wonderful time in the Northeast US visiting many churches and friends. It was a very successful seven months. But we sure are glad to be back home in Mexico City. We have been busy since arriving, getting back into the swing of things here. Being a big city-life moves a pretty fast pace. We are excited about what God is doing here and throughout Latin America.

## New Church Plant- Palomares Street

As we traveled and shared about our ministry- we often mentioned a new church plant that meets in our home. We called it the Palomares church plant- It is now called the Coapa Church to embark a broader area. It has been exciting to be a part of this small congregation- attendance has been as high as 27, but typically runs around 15 or so. In this small congregation- everyone gets to participate- the preaching is done by someone different just about every week- including just about everyone of the core members. We have had several different neighbors visit and want this church be a place where they can find the Lord.

## Mission Finances

Finances for our mission continue to be tight. As they look to the year end, the Mission wants to balance the budget. So we will only be getting 2 months of the next quarter's allotment until they see how the giving goes. For those who have been giving all year thanks. If you haven't given yet and you would like to, you can do it on the web site <http://www.fmwm.org/missionary/index/myers.php>. Follow the directions in the box. As you look at your own budget as the year draws to a close and you are able to give a bit more, that would be great! We are trusting God to provide. Again thanks to all of you for your support, first through prayer and then through giving!

We are so thankful for the churches and individuals that have faithfully supported us these past few years! We are hoping that your church will continue to give towards our ministry- in fact we are hoping that your church will make a pledge towards our support for 2008. If you need more information about how to do that or how this new system works, please do not hesitate to write and ask.

If you have a preferred email address other than this one- please let us know, if you'd rather not receive our newsletters- just let us know and we'll stop- We would also appreciate knowing if you received this letter. Thanks for any feedback! Also if you could print this off and hang a copy on the church bulletin board- we'd appreciate it.
