

FALL 2008

Maria Eugenia Finds Jesus

Through some of the neighborhood ministries that are held at the Casa de Paz church, Maria Eugenia met Jesus in a way she never had before— and she had been looking in many places! He has changed her attitudes, her outlook and her life. Several of her neighbors began to ask about these changes— she has shared with them and also brought them to church and to Jesus! He really is doing a great work though His church in Mexico City— What a joy to watch Maria Eugenia grow and bring more family members to the Lord. In our next letter we hope to tell you about some of them. But you know, there are many more people just like Maria Eugenia who are looking for the hope that you and I have in Jesus Christ. Who can you share with this week?

Mexican Free Methodist Church's 1st Ever International Missions Conference

For many years we have asked you to pray for "a greater missions vision" in the Mexican churches. We are so excited as we prepare to attend and share at the 1st Missions Conference to be held in the Mexican FM church. This event will be held in Northern Mexico at Rancho Betania, November 6-9. Among the goals, one is to develop a missions sending agency— to send out missionaries from our Mexican churches to... Jerusalem, Judea, Samaria and to the ends of the earth. We have been asked to share there and also at a pastoral gathering in the city of Hermosillo. Please be praying especially for this event.

Mission Finances

We are so thankful, in this time of transition and especially of financial uncertainty- that you and so many others have been faithful in supporting us and our ministries. As we near the end of the year we are very hopeful of finishing the year with our Missionary Support Account with positive numbers. It has been very encouraging to see how the Lord has provided through His people during the past few years and especially in 2008. If there are changes that you would like to make to your commitments, feel free to do so through the online system or by letting us know and we can post the changes.

Coapa House Church

The church that meets in our home is still moving forward. We have seen one very active family return to our congregation and they have already brought several visitors. Our current attendance is around 22— which is pretty much a full house. Would you help us pray that the Lord would give us a plan for this congregation. We are considering renting or buying a different location or possibly multiplying into another location with half of our current group.

If you have a preferred email address other than this one— please let us know, if you'd rather not receive our newsletters— just let us know and we'll stop- We would also appreciate knowing if you received this letter. Thanks for any feedback! Also if you could print this off and hang a copy on the church bulletin board— we'd appreciate it.
