#### Transitions in Mexico City Church Plant..

This year we are finishing up has been, as this next year will be; a year of transitions. The Mexico City Church Planting Team has been meeting regularly for prayer and study in preparation for the launch of the new church plant in the South end of the city. We have been focusing many of our prayers on friends and neighbors that live in the area where we live. Lord willing, the church plant will hold it's first public worship service on January 21— the exact location is still TBA— but we are praying that the Lord will provide the perfect location for this and the subsequent services and also for Pastor Jorge to be able to move into the neighborhood.

Actually we are writing and sending this letter from Santa Ana, Sonora in Northern Mexico. We have left Mexico City to spend our family vacation here with Letty's family for Christmas and the New Year. We drove here from Mexico City (it's only about 1300 miles— or about 24 hours!) and plan on flying to Indianapolis after the holidays for some meetings there before heading East to Pennsylvania. The plans are to visit as many churches as possible during the first six months of the year in both the New York and New England conferences, to share more about what God is doing in Mexico and Latin America. We have begun scheduling with many churches- and we look forward to working with more leaders and pastors to be able to set-up more opportunities. Please talk with your pastor about scheduling us in your church. We can be contacted by email at [klmyers@gmail.com](mailto:klmyers@gmail.com) or by telephone after Jan 13 at (316) 665-7167.

#### Prayer Requests Would you pray with us?

- New Church Plant- "Kick-Off" service January 21
- Casa de Paz church gears up for baptisms and transitions
- Our home-assignment plans and scheduling.
- Nathan and Nasya as they begin at Jefferson Elementary School

#### Transitions in School..

As we move to Pennsylvania, we plan to enroll both Nathan and Nasya in the nearby public school. This will be their first experience in school, outside of homeschool. We'd be real thankful to know that you're praying for them during this new experience.

#### Thank You! ¡Gracias! Thank You! ¡Gracias! Thank You! ¡Gracias!

We are so thankful to so many that pray and give. As we think about home assignment— we also think about adding more members to our prayer and support team. If you are interested in joining that team— you can [click here](#) and fill out "Partner in Ministry" form or if you prefer— just write back and ask and we'll email you a form.
