Dear Praying Friends,

We wanted to send a brief update to let you know how the Lord has been answering your prayers for us.

One of the **January prayer requests** posted on our blog was for Hope as she juggled many (too many?) responsibilities this month and next. She has been filled with such an amazing peace and senses the Lord giving her strength and grace for each new task. This is only possible because of your prayers. Thank you so much!

Only a year ago we were traveling around the U.S. talking about the miracles God was doing in **the formation of the Sinop FMC** (8 hours north of Cuiabá). He continues to provide miraculously for this church and we wanted you to see a picture of the “almost finished” church building. A year ago there was nothing there! Once again your prayers have made the difference. (Dan is shown “pitching in” with the Clarkston, MI team.)

We have two clarifications we'd like to make about **our newsletters**. First of all, it is now easier than ever to subscribe to our weekly updates (via Hope's blog). If you go to our site www.danowsleyfamily.typepad.com and put your e-mail address in the upper top left corner (feedblitz box) you will automatically receive Hope's journal entries in your inbox. You will never have to go hunting for our site again. BUT we'd love to have you seek us out once in awhile if you'd like to see updated photos or prayer requests.

Secondly, because of the high cost of sending out a snail mail newsletter we'd be curious to know if any of our prayer partners would be willing to go “e-mail only” and help us save on postage. We strive to maintain constant contact with you, but also want to be good stewards of the resources the Lord has given us. Please reply to Hope's address (brazilgirl61@terra.com.br) if you'd be willing to help us in this way.

For His glory and our joy, Hope and Dan
