WORLD MISSIONS

The Sykoras' ministries in the fast-growing, post-communist economy of Slovakia encompass teaching, pastoring, mentoring and counseling. Josef serves a very active congregation as associate pastor and also teaches pastors from emerging European FM churches. Many of these leaders need the basics on topics including understanding the Bible, church history and systematic theology. Following the turmoil of wars and communism, many Europeans have experienced brokenness and despair; Lynette sees Christian counseling as an avenue for healing. She also offers member care to missionaries and European church planters.

Birthdays: Josef – 3/28, Lynette – 6/27, Simon – 4/14/07, Luke – 6/8/09

- Josef as he disciples laypeople at the 300+ member church in Bratislava (Cirkev Bratska)
- Josef as he has opportunities to teach Bible and theology in FM fellowships in Europe
- Lynette's ministry in the area of member care to FM missionaries in Europe
- Josef and Lynette to have opportunities to share their faith in their community
- Lynette to make progress with the Slovak language
